

# Welcome to the Brasserie at The Bull's Wine List

We have spent a great deal of time working with our wine merchants Waverley TBS & The House of Townend to ensure our list offers something to suit all palates and pockets.

Whether they are hand crafted wines from small family run wineries or award winning wines ideal for every day drinking they share one common factor, they offer excellent quality and outstanding value for money.

So whatever your preferences we hope you will enjoy the wines on our list as much as we did when choosing them, just remember life is too short to drink bad wines.
